**Re: United States v. Roy Victor
07 Crim. 1181 (KMK)**

Dear Judge Karas:

This firm is counsel to Roy Victor in the above referenced criminal proceeding. This letter is written to request that the Court So Order this letter permitting the pre-trial services department to transfer Mr. Victor's passport to the probation department. //

Mr. Victor voluntarily surrendered and pled guilty to one count of Obstruction of Justice on January 2, 2008. At that time, as required, he surrendered his passport to the pre-trial services department. On May 19, 2008, Mr. Victor was sentenced to time served and two years supervised released with six (6) months of house confinement as a condition of supervised release. I have been contacted by the pre-trial services department and advised that without a Court order Mr. Victor's passport will be sent to the State Department. Mr. Victor has met with Ed Johnson, a supervisor in the probation department and Mr. Johnson has agreed to receive and hold Mr. Victor's passport pending completion of his supervised release. I have spoken to Assistant United States Attorney Perry Carbone and he has no objection to the request.

Respectfully submitted,

Jonathan Gardner
